

"Because We Care, Generosity Initiative"

These plans have been developed by the Interiors sub-committee of the Vision committee, in consultation with Chelsea Helms, IIDA, and North Carolina Registered Interior Designer with STITCH Design Shop, (based in Boone, NC).

** As our members' generosity allows. Projects will be scheduled as soon as donations are received so that we can pay contractors. We will endeavor to combine certain phases to maximize cost effectiveness and to minimize disruptions to ongoing church programs.*
