

The Majesty of God

October 2026 Scripture Writing & Journaling Plan

Welcome to your Scripture writing journey for October 2026. This month, your daily quiet time will center on a singular, breathtaking reality: **the overwhelming majesty of God**.

In a world that often feels loud, chaotic, and entirely focused on the temporary, it is easy for our vision to shrink. This 31-day plan is an intentional invitation to look up. By focusing on God's majesty, you are choosing to anchor your mind to the King who sits securely on His eternal throne, the Creator who speaks galaxies into motion, and the Savior who rules with absolute authority and tender mercy.

Why Write Scripture?

Writing out the Word of God by hand forces us to slow down. When you copy these verses word-for-word, you engage your mind, your eyes, and your hands. It transforms reading from a passive habit into an active meditation.

How to Use This Plan

1. **The Scripture:** Take a few deep breaths, open your Bible, and write out the daily verse in a dedicated journal.
2. **The Prayer Prompt:** Use the provided prompt as a launching pad for an honest, intimate conversation with God.
